## Awards and Scholarships

### GeoForce Texas Science Program

Kenai Walker, Brook Hill freshman, was accepted into the GeoForce Texas Science Program. He will receive an all expense paid opportunity for current 10<sup>th</sup> grade students to experience hands-on geoscience activities in the Texas Hill Country this summer. Kenai is one of 40 students to receive this honor. The East Texas STEM Center at UT Tyler has partnered with the University of Texas – Jackson School of Geosciences to provide this unique educational opportunity. We are very proud of Kenai and applaud his efforts.
