

TEXAS | **GEOPHYSICAL SOCIETY**

Fall First Meeting
September 9th, 2014

Announcement 1

Industry Talk Series starts on
September 11th 1pm @ Deans Suite

Niven Shunmaker

Noble Energy

“Rock Physics to Constrain Cementation
Trends in the Tuscaloosa Play”

Announcement 2

Tech Session **September 11th**

Dr. Kyle Spikes

Agenda

1. About Texas Geophysical Society
2. Society of Exploration Geophysicists (SEG) Opportunities
3. Student Chapter Activities
4. Requirements for Active Membership
5. Group Photo !!

About Us

- A Student Chapter of
Society of Exploration Geophysicists
- SEG is a non-profit organization that promotes the science of applied geophysics and the education of geophysicists
- Student chapters aim at increase interest among students of geophysics

2014 Officers

- **President : Qi Ren**
- **Vice President : Saygin Ileri**
- **Treasurer : Ryan Swindeman**
- **Secretary : Johnathon Osmond**
- **Speaker Liaison : Elliot Dahl**
- **Volunteer Chair : Ahmed Hassan**

Faculty Advisor

- **Dr. Kyle Spikes**

SEG Student Opportunities

1. SEG Foundation Annual Meeting Travel Grant

- **What does it cover?** (a) travel tickets (b) hotel accommodation (c) per diem (d) conference registration
- **Eligibility** (a) abstract submission to the SEG technical program (b) be an SEG student member for at least one year
- For more information:
<http://www.seg.org/web/annual-meeting-2013/travel-grants>

2. SEG Foundation Scholarship

- **How much is it?** from \$500 to \$14,000 USD per academic year
- **Eligibility:** geophysical students with GPA above average for both graduate and undergraduate
- For more information:
<http://www.seg.org/web/foundation/programs/scholarship>

SCHOLARSHIP APPLICATIONS OPEN SEPTEMBER 15!!

SEG Student Opportunities

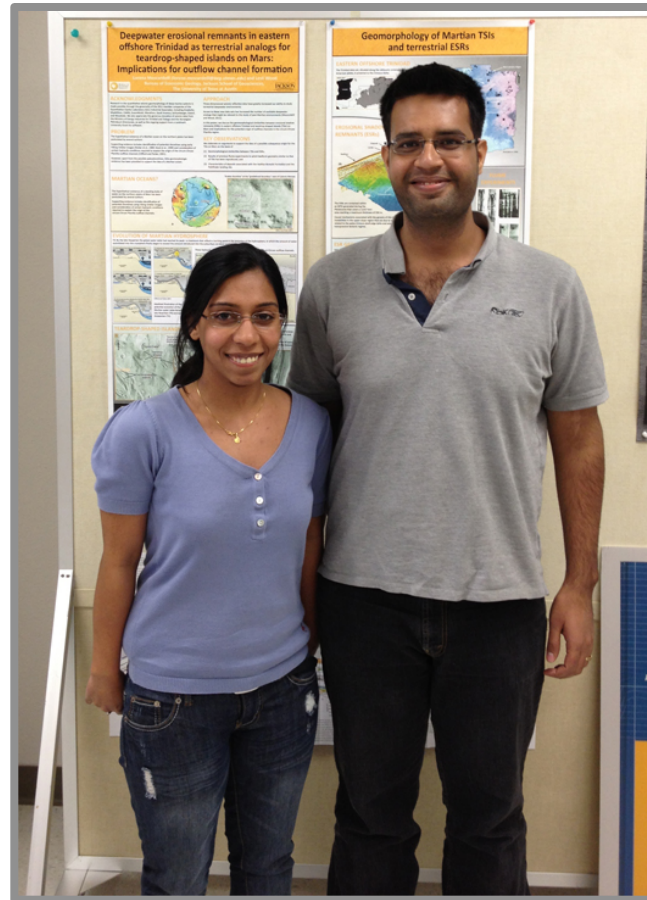

3. SEG/ExxonMobil Student Education Program (SEP)

- **What is it?** 2-2.5 day program which focuses on problems directly related to oil industry (**with travel grant**)
- **Eligibility:** (a) applicant must reside in the geographical region of SEP (b) above average grades
- **What does it cover?** (a) travel tickets (b) hotel accommodation (c) conference registration (d) per diem
- For more information:
<http://www.seg.org/education/university-student-programs/sep>

4. SEG Challenge Bowl

- **What is it?** International quiz testing the breadth and depth in geosciences. Teams consist of 2 members from the same university
- **Eligibility** (a) Student SEG member (b) undergraduate or graduate level
- For more information:
<http://www.seg.org/education/misc/challenge-bowl>

2013 Gulf Coast Challenge Bowl Winners

TEXAS | **GEOPHYSICAL SOCIETY**

SEG Student Opportunities

5. International Geosciences Student Conference(IGSC)

- 5th IGSC, July 2014, Russia
- For more information:
<http://www.seg.org/education/university-student-programs/igsc>

6. SEG/Chevron Student Leadership Symposium (SLS)

- **What is it?** 2 day leadership-focused program (with travel grant)
- **Eligibility:** (a) a current SEG student chapter officer (b) nominated by SEG chapter
- For more information:
<http://www.seg.org/education/university-student-programs/sls>

7. AAPG/SEG student Expo

- **What is it?** a unique event that links geosciences students with industry recruiters
- For more information:
<http://www.seg.org/web/aapg-seg-student-expo/studentinfo>

Our Chapter

- Annual Conference
- Industry Talk Series
- Field Trips
- Social Events and Parties
- Community Outreach
- Networking Events

www.jsge.utexas.edu/seg

SEG International Exposition and 84th Annual Meeting

- October 26-31 in Denver, Colorado
- Technical Program : Presentations and Posters
- Education / Short Courses
- Exhibits: Vendors and Presentations on Exhibition Floor

We provide travel fund for **ACTIVE members.**

Graduates - Funding

- Reimbursement will be provided after trip up to **\$800** when accompanied by ITEMIZED RECEIPTS and reimbursement form
- Must fill out **travel authorization form** to JSG
- Book flight ticket after travel authorization form been approved
- No booze

* Hotel receipts must be split, and show zero balance.

Undergraduates - Funding

- Reimbursement for hotels and registration fee will be provided after trip when accompanied by ITEMIZED RECIEPTS and reimbursement form.
- We will not cover flight tickets.

Industry Talk Series

- Thursday 1-2 PM @ Deans Suite
- Industry representatives give technical geophysical presentations
- Lunch opportunities with speakers
- Great opportunity to expand understand applied geophysics in industry and for networking

Volunteer Opportunities

Event Title	Date
National Public Lands Day	September 27 th , 2014
Family Fossil Fun Day	September 22 nd , 2013 (last year date)
SEG Annual Meeting	October 26-31, 2014
Longhorn Halloween	Sunday, October 26, 2014, 2-5 pm
Waller Creek Cleanups	November, 2014
Austin Food Bank	December, 2014

And MORE

- Bar Night
3rd Thursday every month
@ 7pm, Posse East Bar
- Matlab Tutorial
- End Semester Party
- Bowling & Laser Tag

Requirements for Active Membership / Funding

- SEG membership number
- Attendance at $\frac{1}{2}$ of industry talk series
- At least one volunteer event

(New members will be held to this for next year, but not for this conference. The expectation is that you will continue to participate this year.)
