

# Abid M. Abdelaziz

## Campus Address

2612 Guadalupe Street RM 511  
Austin, TX 78750  
[abidabdelaziz@ymail.com](mailto:abidabdelaziz@ymail.com)

## Home Address

2706 NE 42<sup>ND</sup> RD  
Ocala, FL 34470  
[abidabdelaziz@ymail.com](mailto:abidabdelaziz@ymail.com)

## Objective

Publish thesis concerning the quantification of flux controls on autogenic processes in fluvio-deltaic systems and the decoupling of autogenic processes from the allogenic forcing of base level change.

## Education

Jackson School of Geosciences  
University of Texas at Austin(5/2012)  
B.S. Geophysics  
3.39/4.0

## Experiences, Work

- *Worked* with Dr. Harm Van Avendonk(Spring 2010), using SeisWorks to pick seismic and analyze structural salt feature of formation in the Gulf of Mexico.
- *Worked* with Dr. David Mohrig(Spring 2009), analyzing sediment curves of turbidity deposits.

## Honors and Awards

- |  |                   |
|--|-------------------|
| • Jackson School Research Honors Program   | Fall 2010-Present |
| • Jackson School Departmental Scholarship. | Fall 2008-Present |
| • Non-Resident Tuition Exemption.          | 2008-2011         |

## Skills

- Proficient in Matlab, Seisworks
