- <sup>10</sup> Geology 325K, 327G, 376E, 377P, or other approved Hydro courses.
- \* Prerequisite required

fall/spring/summer Indicates that this course is offered that semester.

When the number of credit hours per semester varies, the smaller number is used in the total.

The courses listed above will meet degree requirements for this degree; however, all students are required to fulfill the University Core Requirements as well as specific JSG degree requirements for graduation. Therefore, additional courses may be required. Students are responsible for checking with their academic advisor to ensure they are synchronized with their audit.
