Dear Publications Coordinator,

Please find enclosed our IODP Data Report "Permeability, compressibility, and microstructure of resedimented mudstones from IODP Expedition 322, Site C0011" intended for initial submission. Please note that supporting data accompanies this data report. There are 12 Microsoft Excel spreadsheets and 220 TIF files as "Supplementary Material" that will need to be cataloged on the website along with the data report. A readme file describes the contents of each supplementary material section.

Please feel free to contact me with any questions. Thank you very much.

Sincerely and with respect,

Julia S. Reece and co-authors
