APPLICATION PROCESS
SUMMER 2027**

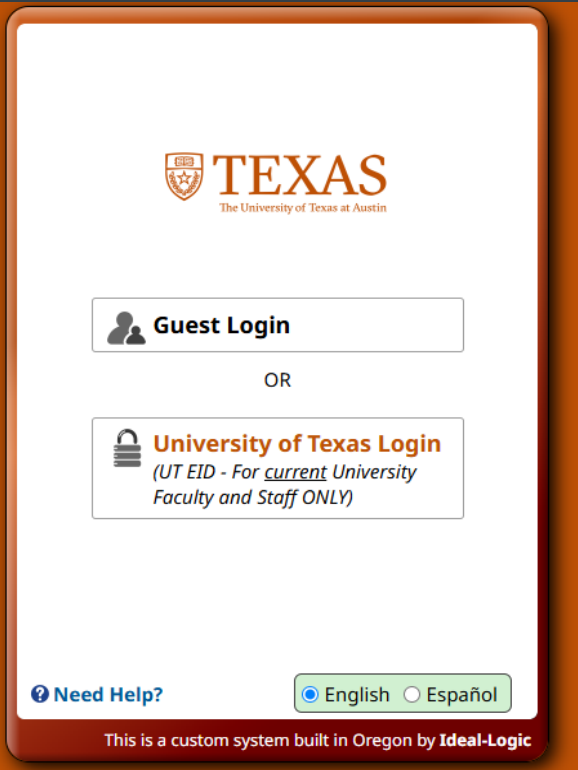

Create Account

Select **"Guest Login"**

Student's will create a profile with their own name & email address.

Parents/Guardians will create a separate profile with their own name and email address

NOTE: Each profile will require a separate email address. Parents, if you have another child who is in/has completed the program in recent years, please use the same email address/profile you used previously.

The screenshot shows the University of Texas login page. At the top is the University of Texas logo. Below it, there are two login options: "Guest Login" with a person icon and "University of Texas Login" with a padlock icon. The "University of Texas Login" option includes the text "(UT EID - For current University Faculty and Staff ONLY)". At the bottom, there is a "Need Help?" link and language selection buttons for "English" (selected) and "Español". A footer note states: "This is a custom system built in Oregon by Ideal-Logic".
