2012 was a wonderful year for our program. We inaugurated our new facilities, our graduate students greatly improved their visibility through their outstanding research, and we graduated 32 M.S. and 18 Ph.D. students. The JSG Graduate Program continues to undergo extraordinary change. In the Spring of 2012 we had 236 students registered (147 PhD, 93 MS) (147 Male, 89 Female). Finally, we graduated 32 MS and 18 PHD in 2011. It appears that qualifying exam. This exam is generally taken within 2 years of the student is co-advised, both locations are counted). The number of students advised by scientists within the three JSG units distributed across our three units. These students are advised be professors and research scientists (143 PhD, 93 MS). The JSG Graduate Program continues to undergo extraordinary change. In the Spring of 2012 we had 236 students registered (147 PhD, 93 MS) (147 Male, 89 Female).
