9. Mirrors should be examined every how many seconds?

- 5-8 seconds When I have something in my teeth
 12-15 seconds 5 minutes

10. What simple safety measure could have prevented a large majority of the 12 & 15 passenger van fatalities over the past decade?

- Wearing safety belts Wearing safety belts
 Wearing safety belts Wearing safety belts

11. Having departmental vehicles to use for field trips, research, and field courses is...

- A shared responsibility.
 Something not all departments have and that can be taken away if all drivers are not attentive to University and department policies .
 A perk that requires us all to be responsible & attentive to the use and care of the vehicles.
 Important to our faculty, students and staff who all benefit from having this resource available for our use.

After submitting your completed quiz...

Sign up for the driving portion of the training.

Sign-up sheets are at the Student Center Front Desk.

On the day of your driving test, pick up a copy of your completed quiz from the Student Center front desk and bring it, along with your TX Drivers License, to the JGB 1st floor.
