Reminders:

1. The Graduate Advisor can sign for students in the absence of a mentor or supervisor.
2. Teaching Assistants and Research Assistants must register for a minimum of nine hours during the fall and spring semesters. There is a minimum of three hours of registration for the summer.
3. **You must be registered for GEO 698B (MS), GEO x99W (PhD), or GEO 398R (MA) in the semester you intend to graduate.**

*Courses within the department must be taken for a letter grade in order to satisfy degree requirements. Only out-of-department coursework taken on the CR/NC basis can satisfy degree requirements, subject to an individual student's committee approval. See the Graduate Coordinator for more details.
