

# Petition to Count a GEO Course as an Out-of-Program Degree Requirement

\_\_\_\_\_  
Student last name                      First name                      EID

\_\_\_\_\_  
Supervisor    Degree sought

\_\_\_\_\_  
Thesis/Dissertation topic

GEO course to be used for an out-of-program requirement: \_\_\_\_\_

Semester taken or to be taken: \_\_\_\_\_

Below give a brief justification for this substitution (include the title of the course to be used):

I understand that this course will not count toward the 18 hours of GEO coursework required for my degree. I also understand that I must take this course for a letter grade.
