Meeting of Ph.D. Dissertation Committee

A single meeting of the entire Ph.D. Dissertation Committee is required. This meeting must occur after the Ph.D. Qualifying Exam, after the student has advanced to candidacy, and at least 2 semesters prior to the Ph.D. Defense. The meeting provides an opportunity for the student to obtain detailed feedback and recommendations from the Dissertation Committee prior to the final stages of their Ph.D. program.

Student	EID	Date
I passed the Ph.D. Qualifying Exam on th	is date (semester, year):
