

# **TNT2021**

## **The NeoGeo Trip 2021**

### **What to Bring**

- Weather-appropriate clothing -- it's going to be HOT!
- Foot wear: sneakers or sport sandals are fine but **no** flip flops on hikes
- Swimsuit and a towel
- Change of clothes for day two and any toiletries you need for the overnight stay
- The cabins have beds with a full set of linens so no sleeping bags are needed; feel free to bring a pillow if you'd like
- Hat, sun screen and insect repellent
- Prescription medications
- Drinking water will be provided throughout the trip but feel free to bring more and/or a reusable bottle
- Official picture ID
- Medical insurance card (or copy)
- Please leave personal electronic devices at home (phone/camera are ok)
- Pack smart – we suggest an overnight bag (for change of clothes, toiletries, etc.) and a backpack for hikes (hat, sunscreen, water, etc.); remember that you will have to carry all of your belongings
- *Optional* – outdoor games, basketball, playing cards, etc.

### **Contact phone numbers:**

- Jackson School of Geosciences 512-232-4544 or 512-471-6048 on field trip days
- Thunderbird Lodge & Resort 1-800-210-7202 or 512-756-4878
