

Jackson School of Geosciences  
Department of Earth & Planetary Sciences  
**Plan for Doctoral Program**

Name \_\_\_\_\_

EID: \_\_\_\_\_

Semester in which PhD qualifying exam will be taken: \_\_\_\_\_

Courses already taken and to be taken in fulfillment of this degree:

Already completed or current enrollment:	To be taken:
--	--------------

**ATTACH TO THIS FORM AN OUTLINE OF YOUR RESEARCH PLAN.**

Are there any specific foundational skills the committee thinks the student must demonstrate for the successful completion of their project (e.g. coding, field work, lab work, foreign language)? If so, how will this be demonstrated?

How has the student fulfilled the requirement for 6 hours of supporting work, or how will this be done?
